PAPER
FALL 2024

Learn how to use Teacher Assign for [Tutoring Sessions and Writing Reviews](#) and visit the [MajorClarity Partner Hub](#) for additional resources.

DIRECTIONS

Monday: Instruct students to navigate to *MajorClarity*, select a Career Path in the STEM Path Cluster, and fill out the [Career Exploration sheet](#).

Tuesday: Assign a *Writing Review* using the prompt on the calendar.

Wednesday: Assign a *Tutoring Session* using the prompt on the calendar.

Thursday: Students will engage in peer editing to revise their writing piece based on their feedback from the Review Center.

Friday: Choose a relevant *Math Mission* to the content being taught in class. Instruct students to complete all tasks, utilizing a *Live Help* tutor if needed. Provide the [Mission Tracker worksheet](#) for them to fill out as they work.
