How to use Text Reader

**1** You can now press "play" and have text-based messages read out loud during a Live Help session. Note that the voice you hear is a programmed voice

You're talking to **Carlos**, who can help you with **Ms Johnson - Math P3**

2 To listen to a message that either a student or tutor has sent, you can hover over a message to access the play button

▶ 🔖

Hello I need help with math

10:00 am

3 After that, press play to hear the message read out loud. You can also press pause at any time.
