Parent Night: Intro to Paper Template (English)

Use this slide deck to introduce Paper to your parent & caregiver community.

Please make a copy if you wish to make edits for your presentation. To change the content of this slide deck, you can do any of the following options:

1. Go to File > Make a copy (if you are logged into a Google account)
2. Go to File > Download > Microsoft PowerPoint (.pptx)

PAPER

Date | Name

Introduction to Paper

 @PAPERlearning

What is Paper?

- Educational Support System provided by our school district
- FREE for all students in grades <grade band>
- 24/7 unlimited live chat tutoring
- Unlimited review of written work
- Interactive math, vocabulary, and reading practice
- Available in English, Spanish, French, Mandarin

Paper Tutors

- Real human tutors **support your students**
- Paper tutors guide students through the learning process rather than giving away answers.
- Encourage students to become self-advocates and reach out for help whenever they need it.

How can Paper support your students?

Building foundational skills across all content areas to set students up for the rest of their academic careers

- Typing
- Math fluency
- Writing skills
- Reading comprehension
- Confidence to ask questions
- Communication skills
- Problem-solving skills
- Digital citizenship
- Critical thinking & more!
