

Grades 5–9

Reflective Questions

This activity is designed to help students actively listen and absorb information while watching each episode. Students reflect on their PaperLive experience and share what they've learned.

Teacher instructions

- Assign your students one or more PaperLive episodes to watch.
- Ask them to complete the activity sheet at home after watching the episode or the next day in small groups during class.
- Activity sheets can be submitted to you or used to further guide group discussions as students share their responses.

Student instructions

Fill out this activity sheet after watching a PaperLive episode.

Circle the show you watched.

Summarize the episode in 1–2 sentences.

List 3 new things you learned.

Where does the show take place?

What was your favorite part of the episode?

What was your least favorite part?

If you could ask the host one question, what would it be and why?

What do you hope to learn in the next episode?
