

# PAPER

## Nothing should stop learning.

Give every student an equal chance to succeed with unlimited academic support anytime, anywhere. For free.

Paper™, in partnership with the Tennessee Accelerating Literacy & Learning Corps, now provides unlimited, 24/7 access to personalized live chat support and written work review in four languages, for all 9-12 students.

As validated by LearnPlatform, Paper's award-winning academic support solution meets Level IV evidence requirements under ESSA.

### Uplifting the whole school community

#### PARENTS & GUARDIANS

On-Demand academic support is provided to students at no cost to their families, to help kids when and where they need it most.

#### STUDENTS

Students can work safely and securely with expert tutors for support with Math, ACT® Prep (Math, Reading & Science), and utilize our Writing Review Center for writing support.

#### ADMINISTRATORS

With Paper, administrators are able to close equity and access gaps, empower families, and provide high-dosage tutoring to all TN ALL Corps participating districts.

### Why Paper?

#### High-quality support.

Paper's diverse tutors are extensively tested and trained to use inquiry-based methods to build confident, lifelong learners.

#### Always accessible.

Paper's interactive platform is accessible 24/7/365 on any device for students to seek academic support in and out of the classroom.

#### For everyone.

Paper's universal access model serves students regardless of their socio-economic background, scheduling constraints, or academic needs.
